# EUROPE'S LEADING MANUFACTURERS

We source premium fabrics locally from Spain and Portugal, working with trusted factories and partners who bring decades of footwear expertise to every step of the process. We collaborate closely with local suppliers and expert craftsmen to ensure exceptional quality at every step.

All sneakers are 100% handmade to order. No stock? No waste. This on-demand approach reflects our commitment to craftsmanship and sustainability.

From concept to final product, our process is designed to bring your vision to life — delivering sneakers that are stylish, durable, and deeply aligned with your client's brand.

The result: premium footwear combining identity and quality.

CRAFTED WITH CARE.  
BUILT TO LAST.

# MATERIALS

All our materials are carefully selected to meet the highest standards of quality, durability and comfort.

From premium leathers and breathable textiles to lightweight, every component is chosen to enhance both style and functionality.

We are also committed to responsible choices, offering sustainable options such as recycled fabrics, certified eco-leathers and other low-impact materials that reduce our environmental footprint.

Vegan and recycled materials are also available:

## LEATHER

### Genuine Leather

Durable, high-quality leather from natural sources.

### Vegan Leather
